Experience

Palmer Reeves Co

Accomplished Frontend Developer with a proven track record of translating design concepts into visually stunning and responsive web applications. Proficient in HTML, CSS, and JavaScript, I specialize in creating seamless user experiences and ensuring cross-browser compatibility. Experienced in collaborating with design teams, I bring a keen eye for detail and a passion for enhancing user interfaces. Committed to staying updated on the latest industry trends and technologies to deliver cutting-edge frontend solutions.

From: 2004-10-12 To: Present

Reeves Tucker Traders

Experienced Backend Developer known for architecting and implementing robust server-side solutions for complex web applications. Proficient in languages such as Python, Java, or Node.js, I specialize in designing scalable and efficient backend architectures. Adept at database management, API development, and system optimization, I bring a detail-oriented approach to ensuring the reliability and performance of backend systems. Committed to staying current with emerging technologies to deliver cutting-edge backend solutions.
